EDUCATION

University of Southern California, Los Angeles, California, USA

- Ph.D. in Communication (ABD) Aug 2023 – May 2027
 - Adviser: Dr. Dmitri Williams
 - Dissertation (in progress): *Toxic and Prosocial Gameplay in Online Games: Relationship Selection, Socially Driven Behavior, and Psychological Need Experiences*
 - This dissertation examines toxic and prosocial play in online multiplayer games as multidimensional social behaviors, using social network analysis, computational text classification, and self-determination theory to explain relationship selection, social influence, and psychological need experiences.
 - Committee: Dr. Dmitri Williams (Chair), Dr. Aimei Yang, Dr. Lindsay Young
 - Research Areas: Game studies, media psychology, social network analysis, computational methods, natural language processing

University of North Carolina at Chapel Hill, Chapel Hill, North Carolina, USA

- M.A. in Media and Communication: Theory and Research Track Aug 2021 – May 2023
 - Adviser: Dr. Francesca Dillman Carpentier
 - Thesis: Do Users Reveal the Needs that Motivate Them to Watch Gaming Videos? A Computational Analysis of Gaming Video User Comments on YouTube

Ewha Womans University, Seoul, South Korea

- B.S. in Content Convergence (Primary Major)
- B.C.M in Communication and Media (Second Major) Mar 2016 – Feb 2021
 - Graduated summa cum laude
 - Cumulative GPA: 3.93 / 4.00
 - Thesis (Content Convergence): Does the viewer's gender of YouTube "Eating Show" correlate with the viewer's watching motivation, preference, and the creator's gender?
 - Thesis (Communication and Media): Algorithm Design for Augmented Reality Applications to Digital Advertisements

RESEARCH EXPERIENCE

Annenberg Game Lab (TGG), University of Southern California

- Research Assistant Jan 2026 – Present
 - Project: Games Studies
 - Lead bi-weekly meetings and prepare discussion materials
 - Present data analysis strategies for working with game data
 - Lead survey planning for World of Tanks

Social Value Lab (SV), University of Southern California

- Research Assistant Jan 2026 – Present
 - Project: Theoretical Framework for Social Value and Receptivity in Online Game Environments
 - Model Social Value and Receptivity using random forest regression with game behavioral data
 - Analyze network and behavioral data to examine relational influence dynamics in online game environments
 - Prepare research discussion materials and coordinate bi-weekly meetings

Annenberg Networks Network (ANN), University of Southern California

- Research Assistant Jan 2025 – May 2026
 - Project: Climate Change Misinformation
 - Lead weekly meetings and prepare discussion materials
 - Analyze survey data collected from Prolific
 - Design an experimental study on conformity to climate change information in social networks
 - Conduct literature review to support project development

AWARDS & SCHOLARSHIPS

- Annenberg Fellowship Award, University of Southern California 2023 – Present
For fellowship support and Teaching/Research Assistant appointment.
- Annenberg Graduate Fellowship Research and Creative Project Symposium Award, University of Southern California 2025 – 2026
For symposium presentation
- Annenberg Summer Educational Fellowship, University of Southern California 2026
Support for participation in a summer educational workshop.
Attended SCoDA Workshop: Statistics on Complex Data, hosted by Seoul National University, South Korea
- Student Success Fund, University of Southern California 2025
For extra- and co-curricular academic programs support
- Dean's List, Ewha Womans University 2016 – 2020
For having earned over 15 credits for the semester with no failed courses and a minimum 3.75 GPA
- Honor Scholarship, Ewha Womans University 2016 – 2020
Awarded for academic excellence (top 2% by year level)
- Ewha Boston Alumnae Scholarship 2017
For outstanding academic performance and clear future goals

TEACHING EXPERIENCE

- Teaching Assistantship** University of Southern California, Los Angeles, California, USA
- Uses of Communication Research Aug 2024 – Dec 2025
Supported Master's students in conducting statistical analyses with SPSS and applying quantitative methods such as surveys and experiments

	- Communication Management Pro-Seminar Jan 2025 – May 2025 - Supported Master's students in writing research papers, focusing on structure, clarity, and APA academic style
PEER REVIEW SERVICE	Journal Reviewer - International Journal of Communication 2026 Conference Reviewer - National Communication Association (NCA), [Game Studies Division] 2024 – 2026 - International Communication Association (ICA), [Game Studies Division; Environmental Communication Division] 2024 – 2026 - Korean American Communication Association Conference (KACA), 2025 – 2026 - Association for Education in Journalism and Mass Communication (AEJMC), [Mass Communication and Society Division; Communication Technology Division] 2024 – 2025
PROFESSIONAL SERVICE	KACA–NCA Student Representative Korean American Communication Association (KACA), National Communication Association, USA - Student Representative Nov 2025 – Nov 2026 - Organize the KACA graduate student social event at the National Communication Association (NCA) annual convention in 2025–2026. - Promote graduate student engagement and networking within the Korean American communication research community. - Collaborate with the KACA Executive Board to support student-focused initiatives.
CAMPUS ACTIVITIES	Korean Graduate Student Association University of Southern California - Vice President Aug 2024 – May 2025 - Organized networking events, career development workshops, and academic workshops for Korean graduate students. - Managed the association's operations, budgets, and communications. - Worked with other student organizations and universities, including the University of California, Los Angeles (UCLA) and California Institute of Technology, to provide support and resources for Korean graduate students. Ewha Student Ambassador Program Ewha Womans University, Seoul, South Korea - Ambassador Mar 2018 – Aug 2018 - Visited high schools in Korea to promote one's college, utilizing various media materials based on student demands
OTHER WORK EXPERIENCE	SKT 0 Fitial Contest Seoul, Korea - Contest Participant Mar 2019 - Planned and executed a public relations campaign targeting adults in their 20s and 30s in South Korea, promoting a positive brand image of SKT - Leveraged advanced social media skills to design the campaign process on Instagram, ensuring targeting audience interests Olympic Broadcasting Services Gangneung, South Korea - Camera Director Assistant Feb 2018 - Assisted camera directors at the PyeongChang 2018 Olympic Winter Games, arranging the shooting environment and materials to improve broadcasting productivity.
LANGUAGES	- Korean: Native. - English: Fluent. - Japanese: Intermediate.
SKILLS	Python, Natural Language Processing, Machine Learning (Transformer model), R, SPSS
